Dear Sir:

Street Lighting - Turakina Beach

As requested, I have investigated the installation of street lighting at the Turakina Beach settlement and find that 11 lights would be required. I enclose herewith a plan showing the proposed locations of the lamps for your information.

This installation will require a standing charge of £40 per annum. Would you therefore please advise if you wish this installation to proceed and also advise what hours of lighting you require, either from dusk to midnight, which is at the rate of 2½d per unit, or the all night rate, which is 1½d per unit.

Yours faithfully,

D.J. Boswell,

QUARTERLY REPORT
TURKING BEACH RESIDENTS ASSOCIATION 1979

16 NOVEMBER, 1979

On the 26 August, 1978 at a meeting of 70 members of the Association, a new Committee was elected.

In attendance were representatives of the Rangitikei County Council Messrs. H. Griffiths, L. Vincent and Mr. Bryant a County Councillor.

The new Committee comprises as elected:

Chairman:	Joe Davis
Secretary/Treasurer	Noel Abbott
Committee:	Phil Cornish
	Jack Tressline
	Brian Bayley

A vote of thanks was recorded to the outgoing Committee.

Matters dealt with during the year.

- (1) Street Lights: 40 Street lights have been installed after a postal vote of residents and both owners was taken. (14 were for lighting and 23 against).
- (2) Poulters cut and left on the spot by the County Council were cleared by a Working Bee. Special thanks in this regard to Messrs. Walker, Fraser and Richards.
- (3) Street Names: Streets have been renamed in accordance with the County Council's plan and street name signposts have been erected.
- (4) House Numbering: The Committee hopes to complete house numbering and deliver them to residents. It is proposed that the committee will hold a Working Bee to provide wooden house numbers for each section.
- (5) Speed Limit Signs: have been erected and in view of no footpaths and many children playing, it is in the interest of all beach residents to observe these.
- (6) A Public Phone Box was suggested but a definite "NO" reply was received from the Post Office. However, many residents have telephones for use in emergencies.
- (7) Mr. Griffiths of the County Council made it clear that it is unlawful to discharge or carry a loaded firearm within the confines of the domain.
- (8) The County Council replied in response to a request for firefighting equipment (namely a pump) that the County was doing a Survey of the area and the matter would be taken to the Fire Services Commission at a Council level.

To date no resolution has been reached.

P.T.O

- (9) Section Freeholders This possibility was put to the Council who will have to take the matter to Crown Lands. This matter is still under investigation.
- (10) Raffles: 2 small raffles were run last Christmas, to raise money for postage.
- (11) Thanks to Mrs. Leighton for her care and maintenance of the showers and toilets.
- (12) Certain matters are still under discussion for the coming year, including:
- (a) Water hole vent on main road
 - (b) Caravan points in the domain and possible drinking water supply for campers.
- (13) Request to all Section Owners:

It would be greatly appreciated if residents and section owners who have questions or suggestions, that they put them in writing and give to a Committee member to be discussed at the following Committee Meeting. If this is done in writing, it will ensure that all matters of concern will be given the attention of the Committee and that the person forwarding the written question will receive a reply.

I would like to thank Committee for all their help and co-operation in the past year.

Yours faithfully,

J. Davis
