Dear Sir/Madam,

re Constitution of Koitiata Community

I enclose a copy of the Minutes of a general meeting of Koitiata Section holders held on 2nd August 1980.

You will see that the meeting supported the Constitution of a community within the Rangitikei County.

The Rangitikei County Council at its meeting on 14 August 1980 passed the Special Order which constitutes the community. Before this becomes effective it is necessary to have it confirmed and the confirmation is set down for 9 October 1980.

I enclose a copy of the Special Order and a copy of the Plan showing the proposed boundaries etc.

Objections to this proposal will be received by the Council until 9 a.m. on 9 October 1980. Any such objections will be considered by the Council before they confirm the Special Order.

In the event of the Special Order being confirmed the community will be constituted as from 1 April 1981 and it will be necessary to conduct an election for the members of the Council that will be required. The Rangitikei County Council conducts its elections by postal ballot.

The electoral qualification is by way of either ratepayer qualification or resident qualification. A person is qualified as a ratepayer if his or her name appears as the occupier in the Valuation Roll. Where two or more names are listed in the occupier column of the Valuation Roll then the law requires

we take the first name so listed as being the occupier having the ratepayer qualification as an elector. This decision can be modified on application by the joint occupiers to have one or other of the names listed to hold the electoral qualification. To hold a residential qualification it is necessary for a person to have lived in New Zealand for twelve months and to have lived in the Kaitiata Community district for three months; the age qualification in either case is eighteen years.

If there are any questions that you might have I would be pleased to attempt to answer them for you.

Yours faithfully,
